

## **Manufacturer's Statement of Certification ARRA of 2009**

Anlin Window Systems provides you the purchaser this Manufacturer's Statement of Certification for verification that specific Anlin "Branded" products are eligible for energy tax credits as specified in the ARRA (American Recovery & Reinvestment Act) of 2009.

Using IRS guidelines, Anlin Window Systems has determined the following "Branded" window and door products meet the IRS definition of "Building Envelope Components" and are eligible for tax credits of the ARRA of 2009. Building Envelope Components that meet or exceed the performance requirements of .30 Solar Heat Gain Coefficient and .30 U-Factor qualify for the federal income tax credit as outlined in the Internal Revenue Code when purchased and installed as exterior windows and doors.

Anlin Window Systems "Branded" Products Eligible for Energy Tax Credits:

Malibu	Glazing: INFINITE & ARGON
Catalina	Glazing: INFINITE & ARGON
Monterey	Glazing: INFINITE & ARGON
Coronado	Glazing: INFINITE & ARGON

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Michael C. Roy  
Vice President - Manufacturing  
Anlin Window Systems

Note: Anlin Window Systems strongly recommends the purchaser consult with a tax advisor when filing for any tax credit. This Manufacturer's Statement of Certification should be kept as part of your tax records.
